

If there was ever a year for a community pub it is this one.

As such, we have carefully prepared our roadmap for re-opening, as aligned with the Government guidelines, to restore the Packhorse to it's full glory.

There has also never been a more important time to show your support for such social amenities.

The British pub industry is on its metaphorical knees now. So many more pubs - with all their heritage and history - face potential closure now and so many communities are exploring how they can save such cherished locations as we successfully did. In this vein, we really ask that all our shareholders and friends recognise how critical your support and patronage is going to be over these coming weeks and months. Not only will it help our venture survive and thrive but, as importantly, it will allow us to further champion the message that this community-owned model can be the very viable future for so many other communities also.

We also can't tell you how important is for our staff that when they return to work, they return to see a busy garden and, eventually, a thriving pub.

With that heartfelt plea, below is what we have all to look forward to!

So mark your diaries, print off the roadmap for your fridge door, message your friends, make your bookings and we will see you there!

## MON 12 APRIL | "WE ARE BACK!" | OUTDOOR OPENING

As of Monday 12 April, we will be open for seven days a week!

Timings will be: weekdays (12pm-8pm; kitchen 12pm-2.30pm and 6pm-8pm); Saturday (12pm-10pm; kitchen 12pm-2.30pm and 6pm-8pm) and Sunday (12pm-6pm; kitchen 12pm-5pm).

Expect to see a beautiful new pergola in place at the top garden section for covered tables also.

Bookings are now being taken for garden tables - via bookings app and [info@packhorsebath.co.uk](mailto:info@packhorsebath.co.uk)

We just ask that bookings are for food also (and not just a "bowl of chips" please) - other tables can be used on a walk-in basis (as room allows).

This initial period will, of course, be strongly dependent on the weather. If the weather is looking foul, we will have to stay very flexible here i.e. there may well be circumstances where we are best to close (to avoid a full team manning an empty garden in downpour!) so please do check the website and social media channels on the morning of any such dubious days.

## SHAREHOLDER LOYALTY CARD SCHEME

To celebrate the pub reopening, we also plan to launch our new shareholder card scheme. Each shareholder has a dedicated card awaiting for them to collect at the pub. Initially, you can use this pub to tap in your visit to the pub and each visit adds to your Packhorse points. With certain amount of points, you can start redeeming points for free drinks, meals etc (full details will be communicated separately) as well as entering regular prize draws. For all shareholders, please just ask for your card on your first visit back.

## SMALL "THANK YOU" GESTURE

As a small gesture, for the weeks until May pub opening, we will be running a donations into an "NHS pot" scheme - all NHS workers (on production of ID) can draw down on this pot (NHS worker plus one) until such donations exhausted.

This will be a physical pot at the pub (we will update here also with online version).

Of course, we would love to do this for all "Essential workers" it's just that this the easiest/simplest format to administer as a simple "thank you" gesture.
